

COMMODITIZING ALPHA®

Symmetry Partners' evolution over the last 20 years reflects our commitment to bringing the best findings from academia to the world of investing. Those findings that have offered insight into how investment outperformance can be systematized have informed Symmetry's unique investment process, which seeks to reduce costs and certain types of risks, while "commoditizing" sources of returns previously thought to be manager alpha.

*Assets under advisement is where Symmetry acts as a sub- advisor. As of March 31, 2017

Rankings not based on performance.

As with any investment strategy, there is the possibility of profitability as well as loss. All data is from sources believed to be reliable but cannot be guaranteed or warranted.
